## TIE Gross Pricelist 2024

### How to read our price list

#### Programmes

Our all-inclusive programmes are available as 13 or 14 nights (14 for UK only). If you want to stay longer, get in touch.

#### Classic or Premium Programmes (not Italy)

There is a price difference between 13 night Classic and 14 night Premium programmes, though both still offer 15 hours English lessons per week and a comprehensive activity and excursion programme....

Think of it like a flight ticket...we want to get to New York. Some of us can afford Business Class, some Economy Premium and others Economy...we aim to make our centres affordable for everyone.

#### What's the difference between Classic and Premium?

The difference is the excursions. Each centre is different but we list the number of included excursions as well as how many of the excursions have paid entrances

#### Prices

The Gross Price is what is due unless any discount is applied

If you want a 14 night stay, simply add the Extra Night Price

You can choose an Extra Night from a different programme e.g. You have 13 nights on Classic, you can book the Premium Extra night or vice versa

#### Arrival and Departure

UK Schools: arrive Monday for the start of July and Tuesday for the second half of July\* and leave 13 or 14 nights later

USA Schools: arrive Monday for the start of July and Wednesday for the second half of July and leave 13 nights later

Italy Camps: arrive and leave on every Sunday

\* Except York which has Monday as a start day for the second half of July

#### Age Range

Our age ranges are indicative and the programmes are designed for these ages - see the notes on the second page of the document. Exceptions can be made under certain circumstances - just get in touch, though we cannot compromise our child safeguarding policy.

#### Accommodation

The list shows how many beds per room

It shows whether the bathroom is en-suite, private or shared

Ensuite: bathroom accessible from the bedroom

Private: use for people within an apartment or suite only

Shared: shared bathrooms for use by students on the same floor or the same accommodation block

Ratio: the number of WCs and showers/baths per student

#### Domestic

All our locations have different cleaning regimes so we want to indicate how this works at any given location.

If you want to wash your clothes, most have laundry facilities but you may have to pay a small fee for this extra service

#### Second Page

This gives additional information about what's included (and not included), transfers, excursions, Group Leaders, who to contact and other valuable material. Not sure? Get in touch via email, WhatsApp, Linked In.

Remember, if it is not here, that doesn't mean we can't do it. Come and ask...what's the worst thing that can happen? I say "sorry, can't do that,
